Goodman and LINC

Experience Brock.

Experience is everything. At Brock, we pride ourselves on offering top co-op programs, extensive experiential and service-learning opportunities, innovative research projects, a beautiful and safe campus, and high student satisfaction ratings. Come to Brock and experience every opportunity for success.

Brock LINC project

The \$19-million Brock LINC project serves to create a grand entranceway and central hub for Brock. Located in the centre of campus, this 41,000-square-foot innovation centre will span two storeys and will give students a beautiful new space to focus on research, commercialization, and entrepreneurship. A large skylight will illuminate the new atrium and will provide students with a view of Brock's signature focal point; the Schmon Tower.

Grape Stomp

Goodman School of Business expansion

Construction is currently underway on the \$22-million expansion project for the Goodman School of Business. This project involves 79,000-square-feet of new and renovated facilities, including: six new and nine renovated classrooms with state-of-the-art technology, a large two-storey engagement atrium, five employer interview rooms, the Bloomberg financial research lab, as well as additional study, research and office space. The new facility is expected to open in January 2019.

Brock's Grape Stomp one of Canada's top university traditions

The annual Brock Grape Stomp, held each September, has been ranked as No. 2 out of the top Canadian university traditions by *University Affairs Magazine*. Nearly 1,000 students participate in our messiest tradition each year - stomping over one metric tonne of grapes, while celebrating Brock spirit and our location in Niagara.

\$10,000 Giveaway

Begin at Brock \$10,000 giveaway

Over \$4 million awarded to entering students each year

Brock wants to invest in you! We want to recognize your achievements and help you to meet your financial needs. Brock offers one of the best awards programs, with guaranteed scholarships beginning at 80 per cent. With a combination of Brock awards and bursaries, and available government support, we'll help you to develop a plan to make your education at Brock affordable and manageable.

The OneApp

One application — hundreds of awards and bursaries. Awards are valued up to \$20,000 and are based on varying criteria, including academic performance. Bursaries with a value of up to \$3,000 are available, based on financial need. Complete our OneApp as early as possible to increase your eligibility. Learn more at discover.brocku.ca/awards

Brock Leaders Citizenship Society

We're looking for leaders. If you've achieved exceptional academic success in addition to demonstrating outstanding leadership and community involvement, we want you as part of the Brock Leaders Citizenship Society. Apply for this prestigious award by **April 15, 2018**.

Specialist High Skills Majors

Finishing a Specialist High Skills Major program? Graduates entering Brock with an admission average of 80 per cent or higher will automatically be awarded a \$500 scholarship.

Discover Brock Bursary

Travelling more than 700 km to visit Brock? We can help reduce your travel expenses while discovering Brock University and exploring the Niagara region! Prospective students to Brock may be reimbursed for up to one night of accommodation on our campus or at a partner hotel (booked by a Brock Recruitment representative), or for other travel-related expenses. We are happy to extend this offer to prospective Brock students attending one of our campus visit opportunities (campus tour, Fall Preview Day, or Open House) or transition programs (Smart Start, Smart Transfer, LEAP, or BaseCamp). Please contact liaison@brocku.ca for details and to make arrangements.

Class visits and Specialist High Skills Major programs

We are always happy to host large groups or Specialist High Skills Major classes on our campus. We will work with you to create a custom program including reach-ahead experiences or experiential learning opportunities for your students. Please share with your school colleagues.

Options include: lecture shadowing, campus tours, meet and greet sessions with academic advisers, discussions with student leaders about academic clubs and organizations, and lab demonstrations/research discussions/workshops.

We can accommodate full- or half-day agendas, and are happy to provide transportation or host students for lunch. For more information, and to book your visit, please contact Courtney Keogh at ckeogh@brocku.ca
